Exclusive Drinks and Canapés reception

Let's celebrate, connect and share this moment together.

As we look ahead to an exciting 2024, we will celebrate the best of 2023 with our members only champagne awards reception. As well as congratulating some outstanding achievements, this is a fantastic opportunity to expand your network and share a drink with the most influential figures in dentistry. Your seat at the symposium is not just an acknowledgement, it's an opportunity to contribute to the forefront of dental innovation. Truly an event not to be missed.

Enter a Case for the Awards

Please send forward any Clinical Cases you would like to enter for the awards. It can be from an Open Bite, Deep Bite, Class II, or Ortho Restorative smile transformation. We just require a full set of Before and After Clinical photos, with a SAFE Assessment form completed alongside a summary of the case.
